Upfront Fees

The Confirmation Fee is payable upon acceptance of the Accommodation Offer (usually within ten working days).

The Contract Fee and Security Deposit are payable upon acceptance of the Accommodation Contract, which must be completed no later than six-to-eight weeks prior to the contract start date.

Payment Options

Your Accommodation Contract will include a Fee Schedule which outlines how much you owe for the contract period and when your payments are due.

We will ask you to indicate how you'd like to pay your fees when completing your Accommodation Contract. Options include direct debit, bank transfer, credit card and B-Pay. You can choose to pay monthly, quarterly or upfront via a one-off payment.

Frequently asked questions

1. What is included in the weekly fee?

At Trin we offer an all-inclusive College experience. Your weekly accommodation fee includes: three meals a day, utilities, wi-fi, cleaning, and access to programs and events. We also offer free parking and laundry (benefits not always included elsewhere) as well as use of our on-site gym.

2. How do I apply?

Once you have decided if you'd like to join the Trin community, the next step is to submit a formal application. You'll do this via the University of Western Australia's College Row Accommodation Portal. An application fee of \$150 AUD is charged, which you'll pay directly to UWA.

You'll be asked to rank the residential colleges in preference order, so be sure to mark Trinity Residential College as number one! Once we've received your application, we'll review it and will contact you to arrange an online interview.

3. Do you accept students from other universities?

Absolutely! We accept students from any tertiary education institution based in Perth. This includes TAFE as well as other local universities.

We just ask that you send us a copy of your academic offer so that we can verify your enrolment.

4. Can I apply for a premium room?

All new students are automatically placed in a Standard Room. This ensures that you are co-located with likeminded students who are also new to the College, helping you have the best experience possible. It also enables us to give back to our long-term residents by offering them the opportunity to stay in a Premium Room ahead of anyone else.

If we have any Premium Rooms remaining, we will send an email to all new students who have formally accepted an Accommodation Offer so that they can express an interest.

5. Can I apply for a single semester only?

Yes, you can live at Trinity Residential College for a single semester, but only in certain circumstances. For example, if you're an Exchange or Study Abroad student who is only in Perth for six-months. Or, if you're looking to commence your studies mid-year in July.

6. What happens during the interview?

The interview is just a quick chat with our Head, or Deputy Head of College so we can get to know you. It also provides you with an opportunity to ask some further questions about living at our College or what it's like to study at uni.

After the interview, which will take place online, you'll be advised of the outcome via email. If successful, a formal Accommodation Offer will be sent to you. To accept your offer, you'll need to pay the non-refundable Confirmation Fee. Once this is paid, we'll hold your room and will guide you through your next steps.

7. I've decided to take a gap year. Can I defer?

We understand that plans change. You might have decided to take some time away from your studies to travel, or, you may not have secured a place at your chosen university and need time to reassess.

Simply contact our admissions team and we will work with you to defer your booking. If that isn't suitable, we will then chat to you about our cancellation policy.

8. What are my cancellation options?

If you didn't receive an academic offer from a Perth-based institution you can cancel your booking penalty free, as enrolment in tertiary education is a condition of your Accommodation Offer.

If you've simply changed your mind and want to live elsewhere, or have received an offer from another Perth uni, your offer remains valid and you are required to contact us to discuss your cancellation options. If your cancellation request is approved, you may be required to pay a penalty, which could include up to six-weeks of fees.

"Trin's tight-knit community helps you make genuine friendships. The support from peers and staff, especially during stressful academic periods, is really comforting.

There's always something happening, from sports competitions to themed dinners, which keeps campus life lively and engaging. Trin has become a second home, filled with some of my favourite university memories."

"I chose to live at Trin after hearing great things from friends about the strong sense of community. I also really liked the campus, especially the beautiful grounds.

What makes the experience unforgettable is the small moments. Catching up over Sunday lunch, movie nights with friends, or simply taking a moment to relax and kick a footy around on the quad."
