Payment Options

Your Accommodation Contract will include a Fee Schedule which outlines how much you owe for the contract period and when your payments are due.

You can choose to pay monthly, quarterly or upfront via a one-off payment.

Frequently asked questions

1. What is included in the weekly fee?

At Trin we offer an all-inclusive College experience. Your weekly accommodation fee includes: three meals a day, utilities, Wi-Fi, cleaning, and access to programs and events. We also offer free parking and laundry (benefits not always included elsewhere) as well as use of our on-site gym.

2. How do I apply?

Once you have decided if you'd like to join the Trin community, the next step is to submit a formal application. You'll do this via the University of Western Australia's College Row Accommodation Portal. An application fee of \$150 AUD is charged, which you'll pay directly to UWA.

You'll be asked to rank the residential colleges in preference order, so be sure to mark Trinity Residential College as number one! Once we've received your application, we'll review it and will contact you to arrange an online interview.

3. Do you accept students from other universities?

Absolutely! We accept students from any tertiary education institution based in Perth. This includes TAFE as well as other local universities.

We just ask that you send us a copy of your academic offer so that we can verify your enrolment.

4. Can I apply for a premium room?

All new students are automatically placed in a Standard Room. This ensures that you are co-located with likeminded students who are also new to the College, helping you have the best experience possible. It also enables us to give back to our long-term residents by offering them the opportunity to stay in a Premium Room ahead of anyone else.

If we have any Premium Rooms remaining, we will send an email to all new students who have formally accepted an Accommodation Offer so that they can express an interest.

5. Can I apply for a single semester only?

We accept applications for a single semester only in limited circumstances. For example, if you're an Exchange or Study Abroad student who is only in Perth for six months, or if you're looking to commence your studies mid-year, in July.

6. What happens during the interview?

The interview is a conversation with a member of our staff to get to know you. It's a great opportunity for you to ask any questions you may have about living at College or what it's like to study at university.

Prior to the scheduled interview, you will be asked to complete a compulsory Pre-Interview Questionnaire. This online form takes five to ten minutes to complete.

After the interview, which will take place online, you'll be advised of the outcome via email. If successful, a formal Accommodation Offer will be sent to you.

To accept your offer, you'll need to pay the non-refundable Confirmation Fee. Once this is paid, we'll hold your room and will guide you through your next steps.

7. I've decided to take a gap year. Can I defer?

We understand that plans change. You might have decided to take some time away from your studies to travel, or, you may not have secured a place at your chosen university and need time to reassess.

Simply contact our Admissions team and we'll work with you to determine the best option for your circumstances.

8. What are my cancellation options?

Enrolment in tertiary education is a condition of your Accommodation Offer. If you don't receive an offer from a Perth-based institution, you may be able to cancel your Accommodation Offer without penalty in certain circumstances.

If you've simply changed your mind and want to live elsewhere, or have received an offer from another Perth uni, your offer remains valid and you are required to contact us to discuss your options.
